

BE HER HERO.
 GIVE HER THE QUICK LIFT SHE CRAVES
 IN JUST 10 MINUTES.
 5 SIMPLE STEPS.

NEW! Shattered Fringe Technique:

Custom blonding is perfect to add highlights to the fringe area Natural Levels 6 and up. For added dimension, alternate between 2 Kaleidocolors shades within each of the foils.

- 1: Working from top of head, create a halo section toward top of each cheekbone.
- 2: Within halo section starting at the center, create 5 triangle partings.

- 3: Starting at center triangle, slice 4 vertical foils in a back-to-back-skip formation. Make sure to follow the curve of the head as you work through the triangle. Alternate between 2 formulas. Saturate each section thoroughly.

- 4: Skipping over each adjacent section, continue the back-to-back-skip formation in the remaining two panels. There will be a total of 12 foils.

- 5: Process 10 minutes under pre-heated dryer. Rinse, shampoo and condition.
