PERMANENT HAIRCOLOR

NEUTRAL TECHNIQUE

Step 1: Section fringe area in triangle shape, extending slightly beyond each temple.

Step 2: Continue from each end at fringe section through the sides to the back of head, meeting at a point at the bottom center of occipital.

Step 3: Apply Formula 1 to fringe, side and back sections. Cover loosely with foil to isolate.

Step 4: Working from top of crown just behind fringe section, create 2 horseshoe sections.

Step 5: Alternate Formulas 2 and 3 in remaining sections.

Step 6: Process 30 minutes. Rinse, shampoo, condition.

Formula 1: Equal parts **Premium Crème 3NN** + 10-volume Premium Crème Developer

Formula 2: Equal parts **Miss Clairol 5N/85N** + 20-volume Clairoxide Developer

Formula 3: Equal parts **Premium Crème 8NN** + 30-volume Premium Crème Developer
